Education

2026 – 2029
Engineering Degree Programme – Electronics, Electrical Energy and Automatic Engineering (3EA)
Toulouse INP – ENSEEIHT (N7)

2025 – 2026
Third-Year Undergraduate Programme in Electronics, Electrical Energy and Automatic Engineering
University of Toulouse
Ranked 10th out of 118 students in Semester 5

2023 – 2025
Preparatory University Programme for French Engineering Schools (CUPGE) – EEA Track
University of Toulouse
With honours (Mention Bien)

2022 – 2023
French General Baccalaureate – With honours (Mention Bien)
Lycée International Français Saint-Exupéry de Brazzaville (AEFE)
Specialisations: Mathematics and Physics-Chemistry; Advanced Mathematics option

Academic Projects

Ageing of Photovoltaic Materials under Extreme Conditions *3rd-Year Undergraduate*

- Investigated the effects of temperature and magnetic fields on photovoltaic material ageing.
- Prepared an IEEE-style technical report and delivered an oral presentation in English.

Numerical Processing of Experimental Data *3rd-Year Undergraduate*

- Developed a C program to analyse and smooth experimental data collected using a plasma probe.

DC Motor Speed Regulation *2nd-Year Preparatory Programme*

- Modelled and regulated a DC motor using a PWM step-down chopper.
- Designed a PID controller in MATLAB and carried out experimental validation.

Technical Skills

Electronics: Analogue and digital electronics

Automatic Engineering: System modelling and automatic regulation

Electrical Energy and Signal Processing: Electrical engineering, energy conversion and experimental data analysis

Programming and Simulation: C, Python, MATLAB/Simulink, LTspice

Professional Experience

Order Picker – School Supplies *July – August 2026*
RentréeDiscount

- Picked, checked and packed school supply orders.
- Organised daily tasks and met order preparation deadlines.

Languages

French: Native | Lebanese Arabic: Native | English: B1+ | Spanish: B1

Interests and Community Engagement

Interests: Football, travel and cultural exploration.
Engagement: High school Class Representative; Volunteer at Human7.
